

ATTENTION CUSTOMERS:

We are providing a list of Parkell products that we are no longer repairing due to the age of the units, lack of replacement parts and discontinuation of the products. If you have a unit that is in need of repair and it is listed below, please call Parkell for information on updated products similar to the one(s) we no longer service. If we do not have a replacement or updated product, we apologize in advance for any inconvenience.
