NEW!

TurboSensor® + 360° PERFORMANCE PACKAGE

With the groundbreaking new TurboSensor+360® ultrasonic scaler at its core, this new Performance Package upgrade provides added accessories, expanded benefits, and exceptional savings—all designed to elevate the flexibility and efficiency of your daily scaling routine so you never miss a beat.

Why Choose the Performance Package?

It includes everything a standard TurboSensor+360 Pearl scaler unit (D760) comes with, but with the following upgrades:

- **TWO 30K detachable, autoclavable handpieces**
  Standard unit includes one.
- **TWO 30K Parkell inserts of your choice****
  Not offered with standard unit. See back for details.
- **Instant upgrade to VIP Service status†**
  Should your device ever require service, it will be prioritized and fast-tracked for the quickest possible turnaround.
- **Warranty extended to 4 YEARS***
  This gives you an additional year of protection over the standard unit 3-year warranty.*
